 Extension: 12" (305mm)
 Tilt Range: 7° up and 20° down
 Swivel Range: 20° to 28° (depending on TV size)
 Presets: 4
 Control Inputs: Universal IR Remote Control or RS232 Port
 Product Weight: 65 lbs (29 kg)
 Power: 110 – 240 volts (auto-ranging)
 Color: Black
 Warranty: 1 Year (parts & labor)
 Certifications: UL, TUV, CE

X-arm Full motion

“Convenience”

T2™ is an automated Tilt Mount that automatically tilts the TV down when the TV is turned “on” and returns the TV to the upright position when the TV is tuned “off”.
This completely eliminates the need to use the provided remote control when the “Auto-Mode” is selected.
T2 is installed in a similar manner as conventional manual tilt mounts – for familiar and easy installation.

Specifications:
 Display Compatibility: Fits Most 40" to 60" TVs (1016mm – 1524mm)
 Screen Weight Capacity: 150 lbs (68 kg)
 0° - 13° Variable Tilt Down
 Retracted: TV is only 3.3" (84mm) From the Wall
 Auto Mode On/Off Function
 (tilts down when TV is turned on and retracts home when TV is turned off)
 Presets: 2 (mechanical)
 Control Inputs: IR Remote or Optical Cable
 Power: 110 – 240 Volts (auto-ranging)
 Color: Black
 Warranty: 1 Year (parts & labor)
 Certifications (pending): UL, TUV, CE

T2 Tilt

“Affordable”

S1™ is a unique alternative to today’s manual articulating mounts.
S1’s elegant and compact design is virtually invisible behind the TV.
S1 can be mounted to swivel either to the left or right with variable 180° swivel range.
Provided IR receiver can be programmed to learn the TV’s remote control signals so that TV’s remote can be used to control S1, and it has two programmable memory settings to recall viewing preferences.

Specifications:
 Display Compatibility: Fits Most 37" to 50" TVs (940mm – 1270mm)
 Screen Weight Capacity: 130 lbs (59 kg)
 Presets: 2
 0° - 180° Variable Swing
 Retracted: TV is only 1.6" (41mm) From the Wall
 Mounting: Left or Right
 Control Inputs: IR Remote (learnable)
 Power: 110 – 240 Volts (auto-ranging)
 Color: Black
 Warranty: 1 Year (parts & labor)
 Certifications (pending): UL, CE

S1 Swivel

“Flexible”
